Subject: Letter of Recommendation  
Smittick Electric, LLC

To whom it may concern:

It is my pleasure to write this letter of recommendation on behalf of Smittick Electric, LLC.

Smittick Electric performed as a subcontractor to Balfour Beatty Rail, Inc. on two major Regional Transportation District LRT projects in Denver, CO between the years of 2009 and 2012, with an overall subcontract value in excess of \$16 million.

Smittick Electric was tasked with the substantial challenge of providing a turnkey traction power substation system on the RTD projects. Smittick Electric's professional management, supervision and craft personnel met the challenges head-on by executing the work in a safe, timely and quality manner.

In addition to earning our admiration for their work, our mutual Client, the Regional Transportation District, recently recognized Smittick Electric's efforts on the aforementioned projects by presenting them with the "In the Spotlight" award.

Sincerely,  
Balfour Beatty Rail, Inc.

Ravi Swamy  
Regional Manager
