COMPANY OVERVIEW

Smittick Electric, LLC is an electrical contractor company that provides electrical service in Industrial and Commercial Areas. Our great record of performance from planning phase to the execution of each project shows the knowledge required, the qualified electricians, and resources needed to execute every electrical project.

As a member of the National Electrical Contractor Association (NECA), Smittick Electric, LLC is licensed, bonded, insured and signatory to the Electrical Local Union 68. We continually strive to provide our clients with an uncompromising level of excellence and integrity from inception to implementation.
